TERMS AND CONDITIONS

Payment:

Unless prior arrangements are made, payment is due at time of rental.

Rental periods:

One day =24 hour period, or 8 hours of use, whichever

comes first.

One week = 7 days, or 40 hours of use, whichever comes first

One month =28 days, or 160 hours of use, whichever comes first.

Weekend = pickup Friday night or Sat AM, return by Mon.

8 AM, use unit for 12 hours of tach

time. Rate

is charged at 1 1/2 times the daily

rate. Prior

approval only.

Deposit

All rentals to customers without established credit accounts will be subject to a deposit of at least twice the rental amount. If the unit is returned in proper condition, the deposit will be returned upon rental completion. For rental units returned after hours, the deposit will be held until the rental unit is properly checked in during business hours.

Fuel

All rental equipment will leave our facility full of fuel(unless otherwise noted on the rental contract). It is the rental customer's responsibility to return the rental equipment full of fuel. The customer may elect to pay the fuel charge at the time of rental or upon return of the unit if re-fueling has not been completed.

Weather

Rental rates shall apply for the entire time the equipment is away from either German-Bliss locations, regardless of weather.

Daily Service:

The customer is responsible for daily service of the equipment when it is rented for longer than 1 day, or

is used in extreme conditions. This includes, but not limited to, checking oil levels, greasing, air filter and any other minor attention necessary.

Cleaning Equipment:

Equipment should be returned in the same condition it was rented. Any additional cleaning will be charged at shop labor rates.

Availability:

Not all equipment listed will be available at all times. Please call for assistance in determining what is best for your needs.

Insurance:

The customer is responsible for the welfare of the equipment at all times. The customer is responsible as per the conditions of the rental contract. German-Bliss Equipment Inc. may ask for proof of insurance. Rental units returned after hours are still the responsibility of the renter until the rental unit is properly checked by our employees during normal business hours.

Rental Rates:

The rental rates listed in this list are subject to change at any time without notice.
